To: Delegates to the Standing Committee, Coordinating Agencies, Members of the PSAP, and Members of the CSITC, IFCP and SEEP

From: Executive Director

Subject: Dr. J. Clifford Santley

Date: November 28, 2007

We regret to inform the cotton community that Dr. J. Clifford Santley, the third executive director of the International Cotton Advisory Committee, passed away on 21 November 2007. He was 89 years old.

Dr. Santley served ably for nearly four decades, bringing to ICAC his knowledge and expertise on cotton matters, until his retirement in December 1986. He was first recruited in 1951 by the Standing Committee from the then Raw Cotton Commission in Liverpool, United Kingdom, as an ICAC economist. In March 1963, he was promoted to executive director. Dr. Santley was living in Falls Church, VA, USA, at the time of his death.

We are saddened by his demise and we know that all who met him will share this feeling.

We wish to convey our condolences and those of the cotton community to his family.
