

The ICAC's 80th Plenary Meeting

Ms Parkhi Vats

Parkhi Vats is the Commodity Trade Analyst at the International Cotton Advisory Committee (ICAC), serving as part of the Market Research and Analysis Team. She works on data collection, visualisation and analysis for cotton and other commodities to make them more visible to ICAC's members and data users. She is also the author of ICAC's Cotton Trade report and is in charge of running the ICAC's Private Sector Advisory Panel.
