On behalf of the Ministry of Textiles, Government of India, I have great pleasure in inviting all the distinguished delegates to the 81st Plenary Meeting of the International Cotton Advisory Committee (ICAC) to be held in India at Jio World Convention Centre, Mumbai during 2nd - 5th December, 2023.

For us, Cotton has been the bedrock of our civilization spanning over thousands of years. The Cotton Textile Industry has been a key economic driver for growth. Our strong raw material base created by our producers at the farm and value addition thereafter has put us in a distinctly favourable space in the world Cotton arena. The Theme of the Plenary, “Cotton Value Chain: Local innovations for Global Prosperity” aims to serve as a platform for sharing experiences of innovations from across the globe that have made a tangible impact on the entire value chain.

As all of us are aware, the cotton value chain is a critical component of the global economy, impacting millions of livelihoods and shaping the fashion and textile industries. Recognizing the need for sustainability and environmental consciousness, cotton sector has embraced groundbreaking innovations, orchestrated locally, that have far-reaching implications on a global scale. We look forward to leveraging knowledge tools to augment value across the value chain in a sustainable manner—both for the enterprise and mother earth.

I extend a cordial welcome to all delegates from cotton-growing countries across the world, representatives of the governments, farming community and leaders from industry, trade and research for this Plenary Meeting.

(Rachna Shah)
Secretary (Textiles)
Ministry of Textiles,
Government of India.
On behalf of the organizing committee, constituted for holding of 81st Plenary session of International Cotton Advisory Committee (ICAC), I invite all of you from 2nd December, 2023 to 5th December, 2023 at Jio World Convention Centre, Mumbai, India. Ministry of Textiles, GoI is hosting this event in association with our Industry. A Public sector Miniratna company, which is a "Friend to Cotton Farmers and Dependable Quality Cotton Supplier to the Textile Industry, the Cotton Corporation of India Ltd (CCI) along with the private sector industry body - the Confederation of Indian Textile Industry (CITI) serving the Indian Textile Value Chain since 1958-join efforts with the Apex trade association of Cotton - the Cotton Association of India (CAI) to make this a memorable congregation of knowledge sources, technology and approaches to contribute to this domain. The theme of this Plenary Meeting is focused on leveraging "Cotton Value Chain: Local Innovations for Global prosperity".

The event is being inaugurated by Shri Piyush Goyal, Hon'ble Minister of Textiles, Commerce & Industry and Consumer Affairs, Food & Public Distribution, Government of India.

As all of us are aware, ICAC is the inter-governmental body covering cotton that is recognized by the United Nations. The Plenary Meeting of the ICAC provides a forum for discussions on international issues of importance to the World Cotton industry, and provides an opportunity for the industry and the government leaders from cotton producing, consuming and trading countries/bodies to deliberate on matters of mutual concerns. We look forward to the deliberations enabling us all to convert the challenges into opportunities.

Cotton is a very versatile fibre with multiple applications and end usages in the manufacturing of various types of Textiles including Technical Textiles, Clothing and other non-textile products. The processing of cotton fibre unlocks value to its stakeholders through innovations and scientific interventions contributing to the Five F (Farm to Fibre, Factory, Fashion, Foreign) Mantra of our Hon'ble Prime Minister to bring strengths for all along the value chain.

Together, we join knowledge resources to contribute distinctly and substantially to the promotion of cotton economy in the coming years, strengthening farm end and enabling enhanced value from final goods.

(Roop Rashi)
Textile Commissioner & Chairperson,
Organizing Committee
