

81ST PLENARY MEETING

MUMBAI, INDIA

2-5 December 2023

**Cotton Value Chain:
"Local Innovations for Global Prosperity"**

**Dr. Md. Fakhre Alam
Ibne Tabib**

Dr Md Fakhre Alam Ibne Tabib currently serves as Executive Director of the Cotton Development Board under the Ministry of Agriculture, Bangladesh. He has 30 years of experience with cotton production, research, and development. He earned his PhD in Agronomy, specialising in cotton-based cropping systems. Dr Tabib participates in training, workshops, and seminars on cotton production technologies, value chain development, sustainable production practices, and biotechnology, both at home and abroad. He received the national integrity service award and innovation award for his contributions and government service in Bangladesh. He has participated in cotton-related programmes in the USA, Turkey, Egypt, South Korea, India, Philippines and Uzbekistan. Dr Tabib is well-versed in IPM and other sustainable production practices like GAP, REEL-cotton, BCI, etc. He has had many papers published in national and international journals and magazines
