THEME: FUSING THE COTTON INDUSTRY AND COTTON SCIENTISTS IN AFRICA

DAY 1: Monday, 27 August 2012

08:40 - 09:00 Opening: Agriculture Ministry -Dr. R Kiome (Permanent Secretary) Keynote Speakers: 1. ICAC - Dr. R Chaudhry 2. KARI - Dr. E Mukisira (Nairobi Director) 3. CODA - Mr. M Powon (CEO) 4. CABI - Dr. M Akiri (Regional Director) Tea Break Country Reports: 1. Ethiopia 2. Kenya 3. Mozambique 4. South Africa 5. Sudan 6. Tanzania 7. Uganda 8. Zambia Lunch Scientific Presentations: Plant Production 1. Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain - CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani 2. Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett 3. National Cultivar Trials in South Africa - T Pretorius and L Owoeyo 4. Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi 5. Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia - M Chijikwa-Mushenywa Tea Break	08:30 - 08:40	Welcoming: 1. SEACF Chairperson – Zambia 2. Local Organizing Committee – Dr. L Wasilwa
1. ICAC - Dr. R Chaudhry 2. KARI - Dr. E Mukisira (Nairobi Director) 3. CODA - Mr. M Powon (CEO) 4. CABI - Dr. M Akiri (Regional Director) 10:30 - 11:00 Tea Break Country Reports: 1. Ethiopia 2. Kenya 3. Mozambique 4. South Africa 5. Sudan 6. Tanzania 7. Uganda 8. Zambia Lunch Scientific Presentations: Plant Production 1. Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain - CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani 2. Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett 3. National Cultivar Trials in South Africa - T Pretorius and L Owoeyo 4. Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi 5. Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia - M Chlijikwa-Mushenywa	08:40 - 09:00	Opening: Agriculture Ministry -Dr. R Kiome (Permanent Secretary)
11:00 - 13:00 Country Reports: 1. Ethiopia 2. Kenya 3. Mozambique 4. South Africa 5. Sudan 6. Tanzania 7. Uganda 8. Zambia Lunch Scientific Presentations: Plant Production 1. Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain - CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani 2. Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett 3. National Cultivar Trials in South Africa - T Pretorius and L Owoeyo 4. Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi 5. Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia - M Chijikwa-Mushenywa	09:00 - 10:30	 ICAC - Dr. R Chaudhry KARI - Dr. E Mukisira (Nairobi Director) CODA - Mr. M Powon (CEO)
1. Ethiopia 2. Kenya 3. Mozambique 4. South Africa 5. Sudan 6. Tanzania 7. Uganda 8. Zambia 12:30 - 13:30 13:30 - 15:30 Scientific Presentations: Plant Production 1. Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain - CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani 2. Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muritthi, M Powon, E Bett 3. National Cultivar Trials in South Africa - T Pretorius and L Owoeyo 4. Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi 5. Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia - M Chijikwa-Mushenywa	10:30 - 11:00	Tea Break
 Scientific Presentations: Plant Production 1. Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain – CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani 2. Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett 3. National Cultivar Trials in South Africa – T Pretorius and L Owoeyo 4. Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi 5. Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia – M Chijikwa-Mushenywa 	11:00 - 13:00	 Ethiopia Kenya Mozambique South Africa Sudan Tanzania Uganda
 Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain – CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett National Cultivar Trials in South Africa – T Pretorius and L Owoeyo Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka district of Zambia – M Chijikwa-Mushenywa 	12:30 - 13:30	Lunch
15:30 – 16:00 Tea Break	13:30 - 15:30	 Experience of Integrated Crop Management in Cotton Production Systems Disseminated in Mozambique through the Project "Improving Cotton Production Efficiency in Small-scale Farming Systems in East Africa (Kenya and Mozambique) through Better Vertical Integration of the Supply Chain – CFC/ICAC/37" - L Cossa, D Karanja, R Musebe and M Kimani Determinants of Irrigated Cotton Farming among Smallholders in Bura Irrigation Scheme, Kenya - A G Muriithi, M Powon, E Bett National Cultivar Trials in South Africa – T Pretorius and L Owoeyo Cotton Productivity and production in Tanzania - E I Mwangulumba and B M Kalidushi Analysis of factors affecting a farmer's willingness to adopt intercropping in cotton: a case study of farmers in Magoye, Mazabuka
	15:30 - 16:00	Tea Break

16:00 - 17:00	Scientific Presentations: Plant Breeding 1. Potential Cotton Hybrids under Irrigated Conditions of Ethiopia - Z Gebregiorgis 2. Stability And Adaptability of Cotton (Gossypium Hirsutum L. Race Latifolium) Varieties and Inbredlines in North Mozambique - MP Maleia
19:00-	Symposium Dinner: Sponsored by Monsanto
DAY 2: Tuesday, 28 August 2012	
08:30 - 09:30	Keynote Speakers: 1. Monsato – Johnson 2. Moi University - Dr. Githaiga 3. NCST - Prof. A Razak (CEO)
09:30 - 10:30	 Scientific Presentations: Plant Protection Enhancing smallholder farmers' decision making in pest management on cotton in Kenya - D Karanja, R Musebe, W Gitonga, A Mungai, J Macharia, A Gikandi, L Muthoni, L Wasilwa and M Kimani Efficacy of Selected Botanical Pesticides Against Red Spider Mite, Tetranychus Telarius and Aphid, Aphis Gossypii on Cotton - C M Kambo, B M Ngari, S B Wepukhulu and S N Njinju Efficacy of commercially and natural remedies for pest control in organic cotton by small-scale farmers - L Malinga
10:30 - 11:00	Tea Break
11:00 - 12:30	Discussions: 1. Determining the gaps between Cotton Industry and Scientists in Africa 2. Election of the new SEACF Chairman and nomination of the next host country
12:30 - 13:00	Lunch
13:00 -	Depart for excursion
DAY 2: Wednesday, 29 August 2012	
07:00 - 08:00	Breakfast
09:00 -	
09.00 -	Departure
